

# Cape Henlopen State Park park office will close for renovations Oct. 8

*Park venues to continue in full swing during several weeks of upcoming construction*

LEWES – The Cape Henlopen State Park office will close for renovations on Oct. 8, 2016, DNREC’s Division of Parks & Recreation announced today. While construction keeps the park office shut for several weeks, daily entrance fees, surf fishing permits, hunting permits and lifetime Delaware State Park passes will be available for purchase at the entrance fee booths. Fee booth hours are 8 a.m. – 4 p.m seven days a week. All park transactions during this time will be cash-only.

Office calls and park information will be handled through the Biden Center, by calling 302-644-5005 or emailing park superintendent Paul Faircloth at [Paul.Faircloth@delaware.gov](mailto:Paul.Faircloth@delaware.gov).

Although the family campground at Cape Henlopen State Park has closed for the season also for a construction project, the Fort Miles Cantonment Area, beaches, Cape Henlopen Fishing Pier, and hiking and biking trails will still be available for use.
